ORDER GRANTING UNOPPOSED MOTIONS OF NON-PARTY HEWLETT-PACKARD COMPANY FOR EXTENSIONS OF TIME TO MOVE TO LIMIT OR QUASH SUBPOENAS *DUCES TECUM*

On April 8, 2010, non-party Hewlett-Packard Company ("HP") submitted two unopposed motions for extension of time: (1) a Third Unopposed Motion for Extension of Time for HP to move to limit or quash a Subpoena *Duces Tecum* served on it by Complaint Counsel on March 8, 2010; and (2) a Second Unopposed Motion for Extension of Time for HP to move to limit or quash a Subpoena *Duces Tecum* served on it by Respondent Intel on March 19, 2010 (collectively, "HP's Unopposed Motions for Extension of Time").[1]

HP states that Complaint Counsel has agreed to a third extension of time for HP to move to limit or quash Complaint Counsel's subpoena, until April 19, 2010, while the parties try to reach agreement on the scope of the subpoena. Regarding the subpoena from Intel, HP states that Intel does not oppose a second extension of time for HP to file a motion to limit or quash Intel's subpoena, until April 22, 2010, so that the parties can try to reach agreement on the scope of that subpoena.

Based on the foregoing, HP's Unopposed Motions for Extension of Time are each GRANTED, and it is hereby ORDERED that: (1) HP shall have until April 19, 2010 to file a motion to quash or limit the subpoena served upon HP by Complaint Counsel on March 8, 2010; and, (2) HP shall have until April 22, 2010 to file a motion to quash or limit the subpoena served upon HP by Intel on March 19, 2010.

ORDERED:

D. Michael Chappell
Chief Administrative Law Judge

Date: April 8, 2010

[1] Pursuant to two previous unopposed motions, HP was granted extensions of time to move to limit or quash (1) Complaint Counsel's Subpoena, through April 8, 2010; and (2) Intel's Subpoena, through April 12, 2010. *See* Orders Granting Unopposed Motions of Non-Party Hewlett-Packard Company For Extension of Time, March 19, 2010 and March 29, 2010.
