In cooperation with:

### Statement of Alignment

The International Society for Technology in Education reviewed the Intel® Teach Program Essentials Course on March 15, 2007 and determined that the program clearly supports the implementation of the ISTE National Educational Technology Standards (NETS) for Teachers in a specific, carefully reviewed and documented manner and prepares participants to substantially meet the following standards:

#### NETS-T ALIGNMENT

- Meets: I.A., II.A., II.B., II.C., II.D., II.E., V.C., VI.A.
- Supports significant growth for: I.B., III.C., III.D., IV.A., IV.C., VA., V.B., V.D.

“Intel Teach gives teachers a true picture of what technology integration should look like in the classroom.”  
— Jeff McCoy, Director, Instructional Technology, Greenville County Schools, South Carolina, USA

# Welcome to the Intel® Teach Program Essentials Online Course.

Thanks to teachers like you, over four million educators worldwide have made technology learning more compelling and more relevant.

Dedicated teachers nurture the innovative potential in young people—preparing them to step into a world where an understanding of technology can help shape their success. Like you, Intel is passionate about education, because we know it is the foundation for innovation and opportunity. So, on behalf of Intel, I want to thank you for your participation in this course.

Since 1999, the Intel Teach Program has helped educators in more than forty countries. Our programs are built by educators, for educators, and they combine best practices with the power of technology. Young people today are entering a global economy where they'll be challenged to analyze information, collaborate, and communicate their ideas using an ever-changing array of technology. As part of our network of teachers, you can help prepare your students to succeed in this competitive environment.

Innovation involves taking calculated risks but yields big rewards. Your participation in the Intel Teach Program brings that same spirit to the classroom, where we know your students will be the true winners.

Best regards,

Paul Otellini  
Chief Executive Officer  
Intel Corporation

An equal opportunity employer.
