Instructions

Insert the CD and open it using **My Computer**. To begin using the curriculum CD, open the **Getting_Started_CD** folder, and then double-click the **CD_Start** file. Follow the on-screen instructions.

Terms of Use for Teacher ("YOU")

1. YOU are not permitted to duplicate this CD other than as stated below.

2. YOU are not permitted to sell the CD materials.

3. YOU are not permitted to modify or alter the CD materials in any manner without prior written permission from Intel.

4. The CD materials may not be posted on an external, publicly facing Web page. You may copy the CD ONLY in its entirety to a local computer or computer network for non-commercial educational use by teachers.

5. Reprinting the curriculum manual pages within the CD is permitted ONLY for non-commercial educational use by teachers.

6. Intel retains all right, title, and interest, including Intellectual Property Rights, in the CD material.

7. Use of the Intel® Education identifier (logo) is not permitted.
