Education

www.intel.com/education

The **Intel® Learn Program** was created by Intel® Education in collaboration with local governments and educational agencies. Intel Learn offers an informal after-school curriculum that teaches young people valuable 21st century skills through hands-on learning in community-based technology centers.

Statement of Alignment

The International Society for Technology in Education (ISTE) completed its initial review of the **Intel® Learn Program** on December 30, 2005, and has determined that it clearly supports implementation of the ISTE National Educational Technology Standards (NETS) for Students in specific, carefully reviewed and documented ways and substantially prepares participants in the following manner:

NETS•S ALIGNMENT

- Meets: 1.A., 1.B., 3.A., 3.B., 4.B., 6.A.
- Supports significant growth for: 2.A., 2.B., 2.C., 5.B., 6.B.
