

Fair Games Slideshow Checklist

Use this checklist to create your slideshow presentation.

Items included:	Yes
We've included our guidelines for creating a new game for a toy company.	
We've created a title for our game.	
We've created a list of materials needed to play the game.	
We've stated the objective of the game.	
We've stated the rules of the game.	
We've described why the game is fair.	
We've described and given a visual representation of why the game is fair.	
We've included at least two visual representations of the game's possible outcomes.	
We've explained the likelihood of winning the game by using probability.	
We have listed at least three reasons why we think the toy company should choose our game.	
We considered the audience and the purpose while creating our presentation.	
We put our best effort into creating high-quality work.
