## Self-Assessment for Multimedia Biography

Completed	Item	Proof or Example of How I Did This	My Comments	Teacher Comments
<input type="checkbox"/>	I prove that the person made a difference. I use evidence to show how the person made a difference.			
<input type="checkbox"/>	I do research to use as evidence in my biography. I interview someone to gather information for my biography. I use my own words to retell the person's life story. I include what life was like when the person was my age.			
<input type="checkbox"/>	I compare life then and now. I use a graph to show data we collected about our research question.			
<input type="checkbox"/>	I decide if life was better then or now.			
<input type="checkbox"/>	I persuade others that the person should be remembered.			
<input type="checkbox"/>	I plan how I can make a difference for future generations by making sure that the person's life is remembered.
