**Red Hat, Inc.**

---

**Michael Evans**  
**Vice President, Business Development**  
**Red Hat**

Michael Evans serves as vice president, Business Development at Red Hat. In this role, he is responsible for identifying emerging business and technology areas for Red Hat. Prior to his current role, Evans has held the positions of vice president, Worldwide OEM and Channel Sales at Red Hat, and has served as a Board of Director for the One Laptop Per Child project. Prior to joining Red Hat in 1999, Michael was a founder of Bluecurve, Inc., a software company that specialized in systems management software. Earlier in his career, he led business development for Intel platforms at Sybase. Michael holds a bachelor's degree in Business Administration from the University of Michigan.
