

EVENT MAP

Press Event Location

Location: Bond Street Wharf Plaza @ 901 S. Bond Street
Next to DuClaw Brewing Company

Hospitality Event

Location: Kali's Court, 1606 Thames Street
Partner Executives Interview Location

While at the hospitality reception you may want to visit the upstairs lounge to see XOHM in action for yourself. There you will find an Intel® Centrino® 2 processor technology powered notebook with embedded WiMAX, streaming high definition content onto a large monitor and knowledgeable staff to answer your questions.

XOHM Water Commuter Experience

Location: Water Taxi Landing #11 in between 1600 & 1700 blocks of Thames Street

WiMAX On The Water: Take a water taxi ride and experience XOHM as a commuter. Guests will learn about XOHM Offers, available products, and the XOHM developer program. Additionally, each guest will have an opportunity to personally experience XOHM Mobile Broadband via several WiMAX enabled products.

In Home Experience

Location: 1643 Thames Street; Townhome entrance at rear of building

WiMAX In The Home: Your home visit will include a XOHM enabled multi-media experience. Afterwards, enjoy a spectacular view of the harbor from the kitchen while engaging on an Intel® Centrino® 2 processor technology powered notebook with embedded WiMAX.

On The Go Demonstration

Pick-up & Drop-off at intersection of S. Bond & Thames Streets

WiMAX On The Road: Guests will tour the surrounding Fells Point neighborhoods while several different XOHM enabled broadband experiences are presented leveraging the XOHM Portal and a Google Earth application to show mobile device hand-off. WiMAX products will be made available to guests during the tour.

Partner Device Demonstration

Location: Outside the press event tent

WiMAX From XOHM: Experience all of XOHM's commercially available products: XOHM-Ready Mobile Internet Devices, XOHM Modems and XOHM Data Cards plus Intel® Centrino® 2 processor technology powered notebooks with embedded WiMAX.

Admiral Fell Inn

Location: 888 S Broadway
Intel & XOHM Executives Interview Location

Smart Cars Streaming Video Experience

These vehicles will be out and about driving around various areas of Baltimore streaming live video and GPS coordinates over the XOHM Network. Guests will be able to view live streaming video taken from the Smart Cars by clicking on the Livecast link on the WiMAX demo landing page.

Walkway to In Home & XOHM Water Commuter Experience

- Follow tunnel through the Bond Street Wharf Building
