Re: Advanced Micro Devices, Inc., et al. v. Intel Corporation, et al. C.A. No. 05-441-JJF, In re Intel Corporation, C.A. No. 05-MD-1717-JJF, and Phil Paul, et al. v. Intel Corporation, C.A. 05-485-JJF

Dear Counsel:

I have learned that Best Buy, which filed an Objection to the proposed Protective Order, is presently represented by my Firm in a case pending in Florida. I am not presently aware of the caption of the case.

In this regard, please be advised that I have not had, nor will I have any involvement with the Florida case. Further, to the best of my knowledge, the Florida case is not related in any way to the Intel litigation.

Nonetheless, I have taken steps to establish a screening procedure to ensure that, through an "ethical wall," no information that may come into my possession in my capacity as Special Master will be shared with or otherwise made available to those involved in the Florida case, and that I will not receive or have access to any information which may come into the possession of members of my Firm in connection with the Florida case.

I also, respectfully assert that I am satisfied I will be able to discharge the responsibility of Special Master in a fair and impartial manner, and that I do not believe that my ability to do so might reasonably be questioned in light of the above information. I do not anticipate that any action by your respective clients is necessary.

Yours very truly,

Vincent J. Poppiti
