Dear Judge Poppiti:

Pursuant to Paragraph 2 of the Stipulation and Order Regarding Privilege Review, dated July 29, 2008 (the "Stipulation"), the parties jointly report that AMD and Intel have completed the privilege review required by Paragraph 1 of the Stipulation and that, with the exception of a number of documents not yet produced and of which all parties are aware, the parties believe that they have produced all responsive, non-privileged documents identified during the course of that review.

Respectfully,

/s/ Steven J. Fineman
