ORDER GRANTING UNOPPOSED MOTION OF NON-PARTY MICROSOFT CORPORATION FOR EXTENSION OF TIME TO MOVE TO LIMIT OR QUASH SUBPOENAS *DUCES TECUM*

On April 30, 2010, non-party Microsoft Corporation ("Microsoft") submitted an unopposed motion for extension of time to move to limit or quash Subpoenas *Duces Tecum* received from: Respondent Intel Corporation on March 22, 2010; Complaint Counsel on April 7, 2010; and Complaint Counsel on April 26, 2010 ("the Subpoenas"). Microsoft previously received extensions of time until May 3, 2010 to move to limit or quash Intel's Subpoena and Complaint Counsel's April 7, 2010 Subpoena.

Microsoft states that it has made an initial production and has continued to work diligently with Complaint Counsel and Intel's counsel to discuss the scope and burden of the Subpoenas. Microsoft requests an extension until May 17, 2010 and further requests that Microsoft's obligations to otherwise respond to the Subpoenas be tolled during the period of extension. Microsoft states that Complaint Counsel and Intel's counsel do not oppose the request for an extension.

Based on the foregoing, Microsoft's Unopposed Motion for Extension of Time to Move to Limit or Quash Subpoenas *Duces Tecum* is GRANTED, and it is hereby ORDERED that Microsoft shall have until May 17, 2010 to file a motion to quash or limit the Subpoenas, and that Microsoft's obligations to otherwise respond to the Subpoenas shall be tolled during the period of the extension.
