Docket No. 9341

**[PROPOSED] ORDER GRANTING NON-PARTY MICROSOFT CORPORATION'S
UNOPPOSED MOTION FOR EXTENSION OF TIME TO FILE MOTION TO LIMIT
OR QUASH SUBPOENAS *DUCES TECUM***

On April 30, 2010, non-party Microsoft Corporation ("Microsoft") submitted an unopposed motion for extension of time to move to limit or quash Subpoenas *Duces Tecum* received from Intel Corporation ("Intel") on March 22, 2010, Complaint Counsel on April 7, 2010, and Complaint Counsel on April 26, 2010 (collectively "Subpoenas"). Microsoft requests an extension until May 17, 2010 and further requests that Microsoft's obligations to otherwise respond to the Subpoenas be tolled during the period of extension. Microsoft states that both Intel's Counsel and Complaint Counsel do not oppose the motion.

Microsoft states that it is negotiating with Intel's Counsel and Complaint Counsel to resolve issues regarding the scope of the Subpoenas and that additional time is needed to complete those negotiations. Microsoft further states that it is working to respond to the Subpoenas, has made an initial production of documents, and anticipates continuing its productions on a rolling basis. According to Microsoft, Intel's Counsel and Complaint Counsel agree that Microsoft may have an extension of time to move to limit or quash the Subpoenas until May 17, 2010.

Based on the foregoing, Microsoft's Unopposed Motion for Extension of Time to File Motion to Limit or Quash Subpoenas *Duces Tecum* is GRANTED, and it is hereby ORDERED that Microsoft shall have until May 17, 2010 to file a motion to limit or quash the subpoenas received from Intel Corporation on March 22, 2010, Complaint Counsel on April 7, 2010, and Complaint Counsel on April 26, 2010, and that Microsoft's obligations to otherwise respond to such subpoenas shall be tolled during the period of the extension.

ORDERED:

Honorable D. Michael Chappell
Chief Administrative Law Judge
