Docket No. 9341

**[PROPOSED] ORDER GRANTING UNOPPOSED MOTION OF NON-PARTY
MICROSOFT CORPORATION FOR EXTENSION OF TIME TO RESPOND TO
SUBPOENAS *DUCES TECUM***

On June 3, 2010, non-party Microsoft Corporation (“Microsoft”) submitted an unopposed motion for extension of time to respond to Subpoenas *Duces Tecum* received from: Respondent Intel Corporation on March 22, 2010; Complaint Counsel on April 7, 2010; and Complaint Counsel on April 26, 2010 (“the Subpoenas”).¹

Microsoft states that it has made rolling productions and it anticipates its production of information responsive to the Subpoenas will be nearly complete by June 4, 2010. Microsoft further states that an extension is necessary to decrypt a subset of documents potentially responsive to the Subpoenas and to produce any decrypted documents that meet the production criteria agreed to by Complaint Counsel and Intel’s counsel. Microsoft requests an extension until June 21, 2010 to comply with the Subpoenas. Microsoft states that Complaint Counsel and Intel’s counsel have agreed to the extension.

Based on the foregoing, Microsoft’s Unopposed Motion for Extension of Time to Respond to Subpoenas *Duces Tecum* is GRANTED, and it is hereby ORDERED that Microsoft shall have until June 21, 2010 to respond to the Subpoenas.

ORDERED:
