

- 1 Connect power cable to the Galileo board and to a power outlet.
- 2 Connect USB cable to the Galileo USB device port and to a PC.
- 3 Go to [www.intel.com/support/go/galileo](http://www.intel.com/support/go/galileo) and follow the instructions.

The image features a dark blue background with a white silhouette of a person's head and shoulders. The person is wearing glasses, and the lenses are filled with a vibrant, multi-colored starry sky. In the top left corner, the Intel logo is displayed in white, followed by the word "Galileo" in a white sans-serif font. At the bottom left, the text "What will you make?" is written in a yellow sans-serif font.

intel Galileo

What will you make?
