December 30, 2005

Dear Intel Customer:

Intel is announcing the discontinuance of select board within the Intel® Server Board SE7520BD2 family, associated spares and accessories. You have two (2) months to place final orders, and four (4) months to take the final delivery of the product below.

This notification affects the product codes included in the list below:

Server Boards:

- SE7520BD2SCSI
- SE7520BD2V
- SE7520BD2
- BBDBBSCSI
- BBDVBB
- BBDBBSATA

Server Platforms:

- SC5300BD2
- SC5300BD2NA

Related Spares and Accessories:

- FXX4WIRECABLE

1. This product discontinuance notification is effective December 30, 2005.
2. Final purchase orders for the affected products must be placed by February 28, 2006.
3. The final quantity to be shipped must specify a customer request date (CRD) no later than June 30, 2006.

Final purchase orders are non-cancelable and non-returnable, notwithstanding any conflicting terms in our quotes, purchase order acknowledgment or Distributor agreements.

Intel recommends the Intel Server Board SE7520BD2 supporting DDR2 memory as replacement products. Please contact your local Intel Sales Office or Distributor if you require more information or need assistance in selecting a replacement product.

Sincerely,

Intel Enterprise Products and Services Marketing
